

TRIMLINE SURFACE MOUNT HAND DRYER AVAILABLE IN WHITE OR STAINLESS STEEL

B7120 – White B7128 – Stainless Steel

Quiet. Convenient. Low-profile. Efficient. Stylish. Compliant.

Two new warm-air hand dryers from Bobrick offer everything you want in a hand dryer.

Patent pending Dual Parallax Air Flow delivers a broad warm-air pattern for fast, effective hand drying, at a moderate 73 dBA sound level.

The elimination of paper towels, combined with the energy-efficiency of these models can reduce hand drying costs by up to 95%.

Patented Dual Parallax air flow technology.

100mm depth is both contemporary and disable compliant.

Available in white (B-7120) or stainless steel (B-7128) with complementary black trim.
