ULTRAFOLD FUSION™ MULTIFOLD/C-FOLD TOWEL

The most compact folded towel dispenser that assembles quickly with 6 pieces. Designed to eliminate overstuffing of towel and manufactured with the patented Present® System that allows for smooth, one-at-a-time towel presentation. Small carton reduces storage requirements by 50% and creates extra warehouse and transportation space. Dispenser equipped with 2 keys molded into the back that are easily removed at installation. Transparent cover for easy viewing of paper levels. Use any quality or brand of C-fold or Multifold paper towels.
